Office Order No. **67-MISC/WBSFDA/18**

Date: **16.07.2018**

Sub: Revised list of Central Nurseries

In recent times, one of the major achievements of the Forest Directorate is consolidation of production of planting stock through Central Nurseries with simultaneous discontinuation of field nurseries. Vide Office Order No. 17-MISC/FIN/2016 dated 18.03.2016, 99 field nurseries with combined production capacity of 198.30 lakhs have been targeted to be set up.

Subsequent to the Office Order, in consideration of representations of Circle-in-Charges and Divisional Forest Officers, approval of Central Nurseries at 3 sites has been cancelled and 4 new sites have been approved.

Considering the further requirement of tall seedlings under different new initiatives like Sabuj Shree, Namami Gange, Strip Plantation and infilling of older forest plantations, new tall seedling nurseries are approved at 17 locations.

The revised consolidated list of central nurseries with combined production capacity of 218.80 lacs seedlings is hereby approved in cancellation of the previous list issued vide Office Order mentioned above. Funds will be released as per availability.

N.K. Pandey, IFS

Principal Chief Conservator of Forests, HoFF, W.B.
