E-TENDER NOTICE NO. WBFOR/DFORUP/ENT_57/SPAP OF 2017 -18 OF THE DIVISIONAL FOREST OFFICER, RUPNARAYAN DIVISION, WORKS FOR SAL ADVANCE WORKS-2019.

Rupnarayan Division has the history of producing good quality plantations. Good quality plantation in turn depends on good quality seedlings and good soil works. Like previous year, advance Nursery and soil works are required to be taken up at an early date. Thus, in pursuance to the G.O No-5400-F(Y) dt 25/6/12 and its subsequent amendment No-2254-F dt 24/4/14, the Divisional Forest Officer RUPNARAYAN Division, Rangamati, Midnapore, on behalf of Governor of West Bengal, invites **cluster wise e-tender** from bonafide, resourceful suppliers/contractors for carrying out the following works at various Ranges of Rupnarayan Division as per following location details & estimates in the tables below.

ANALYSIS OF THE ESTIMATES

1. This is the preparatory advance work estimates for raising Sal and Associated species. The estimate mainly consists of supply of materials such as hycopots, dry cow dung manure, coarse sand, compost etc. In case of supply of hycopots supply of sample and drop test are must. Supplied hycopots shall be returned, if 10% sample fails in drop test and if there is any deviation from the sample. Tender Committee shall examine the matter and decision of the tender committee shall be final and binding in this regard. Supplied cow dung must be dry and must be as per specification of the concerned range Officer; however, final decision shall be taken by the Tender Committee. Same is applicable in case of supply of coarse sand and Neem Oil Cake dust. All the supplied materials shall be returned , if those differ from the sample supplied before actual supply. It is again reiterated that, the decision of Tender Committee in this regard shall be final and binding.
2. The estimate is indicative in nature. Thus, it might be so that some of the items mentioned in the estimates do not require to be implemented in the field and some of the items needs to implemented more than once, repeated or enhananced as per field requirements. Thus the Intending bidders need to quote rate accordingly and will have to follow the instructions of Forest Officials only which will have the liberty to change the inner items mentioned in the estimates, without changing the rate or the amount of that particular item. Intending bidder/s are expected to have that flexibility.
3. Payment shall be made to the successful bidders only for those items which he/she has carried out at field on pro rata basis as per the rate offered by the L1 & as per the instructions of the concerned Range Officers or his authorised persons or his superior authority. Each item of the estimates has a definite time line, beyond which the item is very difficult to be implemented in the field. Thus ,any item, which is not possible to be implemented in the field within due time, can only be implemented after having due permission in this regard from the appropriate authority. Successful bidders are required to prepare bill for making payment accordingly.
4. Intending bidder/s are required to mention the cluster/s in which he/she is willing to participate. Rate in BOQ is required to be quoted accordingly. If no of cluster/s are not mentioned, the tender may liable to be cancelled. Based on the accepted rate over total estimated cost, item wise rate shall be calculated. Bills shall be processed accordingly.
5. Rate Quoted below 15% shall be subject to rate analysis which shall require to be provided based on technical grounds to be ascertained by the Tender Committee constituted for the purpose. Rate analysis which is not technically viable, shall not be accepted at this end and the candidature of the contractor concerned shall liable to be cancelled at once.
6. From the above analysis, it follows logically that R.A bills shall be admissible in this regard.
