NOTICE INVITING E-TENDER

e-TENDER NOTICE NO. WBFOR/DFOMED/e-NIT/MED/203 & 204 2ND CALL of 2018-19 for Supply of Tiffin & Working Lunch Packet for Labour & village protection team to minimise man animal conflict specially restricting the movements of wild elephants away from entering habitations, killing lives and damaging crop fields etc under divisional forest office, Medinipur Division.

Man-Elephant conflict is one of the most challenging management issues of Medinipur Division. The average period of stay for elephant herds, in this division, is more than 180 days in a year. So, restricting the movements of wild elephants away from entering habitations, killing lives and damaging crop fields etc are uphill tasks of this division. The way of management to cope up these issues are always unpredictable in nature, i.e., inter alia, cannot be foretold specifically when and how the management is required to be taken up. Hon'ble Supreme Court of India has passed the consecutive Orders on 01.08.2018 and 12.11.2018 to desist from using of fire balls, fire torches or any other inhuman method for driving elephants. It is worth mentioning that human methods i.e. Protective barriers for the property, encouraging villagers in affected areas for alternate cropping patterns, using of sound, not venturing into forests for defecation, not brewing country liquor etc. are to be implemented as a part of management operation in connection with movement of wild elephant herd in normal migratory route, avoiding non forest area, for minimizing the extent of depredation at field which will be done by a group of people (village protection team) from the concerned Joint Forest Management Committees along with the meagre number of forest staff. Thus, to perform the above hard jobs and in pursuance to the G.O No-5400-F(Y) d t. 25/6/12 and its subsequent amendment No-2254-F d t 24/4/14, The Divisional Forest Officer, Medinipur Division, on behalf of the Governor of West Bengal, invites cluster wise e-tender from bonafide, resourceful suppliers/contractors for taking up the following works, as per the estimate given in the table below.

UNDERSTANDING THE ESTIMATE:

Before opted for bidding, an intending bidder needs to understand the ground situation in respect of which he/she is expected to work on. On an average, the duration of stay of Elephant herd in this Division is 150-180 days. The area is dominated by Dalma Herd and consists of nearly 120-150 elephants. However, these may sometimes get divided into smaller groups of 40-60 or less than that. Apart from that, the Mayurjharna Herd, comprising of 15-20 elephants, sub-adult males discarded by the main herd and thereafter joined together to form 'Maljuria' group also roams through this division. Lone male elephant, either tusker or makna (tusk less) are formed the third category and popularised as habitation and crop raiders. Naturally, the extent of damage in terms of crop raids, injuries to Human & live stock and even killing of Human are considerably alarming and varies as per their numbers, compositions, seasons. The trained squad, Labours, group of people (village protection team) from the concerned Joint Forest Management Committees along with the meagre number of forest staff are restricting these wild elephants away from entering habitations, killing lives and damaging crop fields etc. In order to minimize the extent of this depredation, the strategy of quick response and management of wild elephant herd/individual elephant is adopted since long. But, to make this work "tender friendly" and corroborating with the new financial system, the description of elephant herds and maximum payable amount for management of those herd is mentioned hereunder,

ANALYSIS OF THE ESTIMATES

The trained squad, Labours, group of people (village protection team) from the concerned Joint Forest Management Committees along with the meagre number of forest staff will be worked to protect the properties & lives of the villagers and will be deployed day, night or any time. So deployed team need to provide them Tiffin, Lunch, Dinner, so that they can do their duty effectively. Mainly working Tiffin, Lunch, Dinner will be provided, no lavishes Lunch & Tiffin will be provided.
