ANALYSIS OF THE ESTIMATES

1. Estimates are based on current PWD Schedule of rates which is inclusive of GST and Labour Cess. Intending bidders are required to quote their rate based on estimated value of the work only and not based on Grand Total. The Successful bidder shall have no claim over contingency. It shall be the discretionary power of the tender Inviting Authority to incur expenditure from contingency.
2. No claim of additional Bill up to additional 15% Works shall be entertained
3. Rate Analysis shall require to be provided in case of Rate Offered below 25%. It should immediately be submitted after opening of financial bid (Within 3 days positively).
4. Successful bidders can carry out the works as per estimate, either by deploying labourer or through mechanized manner. But, whenever labourers are engaged, the same should be as per direction of the concerned Range Officer or his authorized person. Priority should be given to the members of JFMCs concerned in this regard. Minimum Wage, as per latest Minimum Wage Act shall have to be paid to the labourer so engaged.
5. The estimate is indicative in nature. Thus, it might be so that some of the items mentioned in the estimates do not require to be implemented in the field and some of the items needs to implemented more than once, repeated or enhanced as per field requirements. Thus the Intending bidders need to quote the rate taking into consideration of each item of works as well as total estimated cost. The accepted offered rate shall be calibrated over each and every items of the estimates except GST, labour Less and Contingency.
6. Payment shall be made to the successful bidders only for those items which he/she has carried out at field as per the instructions of the concerned Range Officers or his authorized persons or his superior authority. Each item of the estimates has a definite time line, beyond which the item can't be implemented in the field. Thus any item which is not possible to be implemented in the field within due time, can only be implemented after having due permission in this regard from the appropriate authority. Successful bidders are required to prepare bill for making payment accordingly.
7. From the above analysis, it follows logically that R.A bills shall be admissible in this regard.
8. The successful bidder/s shall not have any claim over contingency amount. It will be utilized for the purpose of documentation and advertisements and such other related costs.
