ANALYSIS OF THE ESTIMATES

1. Specifications- Certain standards' are required to be maintained for both Construction part and Nursery part. While the construction part is governed by the standardised specification of PWD Schedule of rates, The supply of Ms Stand and Root Trainers are governed by Weight, Height size of MS-angle and Drop Test in case of Root Trainers. In case of Root Trainers , arpund 10 % sample to be checked through Drop Test. In case of MS- Stand the avegra height should be 2.5 ft with MS-angle of size-**25 mmx25mmx5mm of Galvanised Materials(preferably) and average weight of Min- 16.2 Kg. The intending bidders must conversant with all these kinds of specifications.**
2. **There are two parts of each estimates viz- Part-A (Construction part) and Part-B (Supply part). It is evident from clause-1 that construction part requires basic construction skills and supply part requires knowledge aboue, raising of seedlings in modern Nursery. Thus as a whole, technical knowledge above both the spheres will be required on behalf of the intending bidders. Credentials for similar nature of jobs shall be required accordingly.**
3. The estimate is indicative in nature. Thus, it might be so that some of the items mentioned in the estimates do not require to be implemented in the field and some of the items needs to implemented more than once, repeated or enhananced as per field requirements. Thus the Intending bidders need to quote rate accordingly and will have to follow the instructions of Forest Officials only.
4. The BOQ for each cluster will be for the total amount for each cluster. Before quoting the rate/s the intending bidders shall have to consider both abstract and detail estimates to be provided along with this NIT. The rate quoted below shall be calibrated item wise in case of necessity. Thus it specifies and justifies the criteria mentioned in the clause 2 above. In case of any clarification regarding the estimate One may communicate in the official mail [-dforupnarayan@rediffmail.com](mailto:dforupnarayan@rediffmail.com) or communicate directly with this office within specified date and time provided for the e-Tenders
5. Payment shall be made to the successful bidders only for those items which he/she has carried out at field on pro rata basis as per the rate offered by the L1 & as per the instructions of the concerned Range Officers or his authorised persons or his superior authority. Each item of the estimates has a definite time line, beyond which the item can't be implemented in the field. Thus any item which is not possible to be implemented in the field within due time, can only be implemented after having due permission in this regard from the appropriate authority. Successful bidders are required to prepare bill for making payment accordingly.
6. Intending bidder/s are required to mention the cluster/s (**Annexure-1**) in which he/she is willing to participate. Rate in BOQ is required to be quoted accordingly.
7. Acceptance of the rate Quoted below 15% shall be subject to rate analysis.
8. From the above analysis, it follows logically that R.A bills shall be admissible in this regard.
