**E-TENDER NOTICE NO. WBFOR/DFORUP/ENIT\_63/SPAP OF 2017 -18 OF THE DIVISIONAL FOREST OFFICER, RUPNARAYAN DIVISION, WORKS FOR DRIVING ELEPHANT HERD.**  
\*\*\*\*\*

Rupnarayan Division is one of most affected Elephant Depredated Divisions of South Bengal. On an average the duration of stay of Elephant herd stay in this Division is 100-120 days. This herd is known as Dalma Herd and consists of nearly 120-150 elephants. Apart from this, a separate herd known as Mayurjharna Herd consists of 15-19 elephants also stay in this Division for a considerable period. Naturally the extent of damage both in terms of crop raiding, injuries Human & live stock and killing of Human are very high. A residential herd/loaner of 3/5 elephants adds to this problem further. In order to minimize the extent of depredation, driving the herd/individual is one of most suitable strategies which is adopted since long. Thus, In pursuance to the G.O No-5400-F(Y) dt 25/6/12 and its subsequent amendment No-2254-F dt 24/4/14, the Divisional Forest Officer RUPNARAYAN Division, Rangamati, Midnapore, on behalf of Governor of West Bengal, invites **cluster wise e-tender** from bonafide, resourceful suppliers/contractors for carrying out the following works at various Ranges of Rupnarayan Division as per following location details & estimates.

## ANALYSIS OF THE ESTIMATES

1. Driving of elephant is one of the tough most, cumbersome, difficult and unpredictable jobs. Showing cluster wise type and numbers of driving to be required is simply indicative in nature. More or less it is a prediction of few previous year's average nos of driving. Actual driving- mod, type and pattern shall be dependent on exact field situation. Thus intending bidders are required to quote their rate based on the estimates shown in the table above for very big driving only. Rate quoted by the successful bidder shall be calibrated on pro rata basis accordingly for such other 3 types of driving as mentioned in the location details table.
2. The intending bidders shall be required to be well versed with the territory, local socio political situation, mode and pattern of elephant driving. In a nut shell, the intending bidders should be well versed with wildlife management, wildlife protection act,1972 & local socio political situation. Thus it shall be mandatory to deploy Hulla Party as per specific direction of the Range Officer concerned. As it might be a question of life and death situation. Rate should be quoted keeping all these factors in mind.
3. Broadly this estimates consists 4/5 major items each having a definite weight in the over all estimates. Now once the rate is quoted, it shall be presumed that the quoted rate follows the same ratio as mentioned in the original model estimates. Sometimes, it might be so that the successful bidders need to procure/supply any 1 or 2 of the items mentioned in the model estimate; e.g- supply of burnt mobil/ supply of kerosene/hulla/vehicle etc; in those cases payment shall be made accordingly based on actual supply/procurement following the same weightage and ratio as mentioned in the model estimates and as per the rate quoted by the successful bidders.
4. Both skilled manpower and financial potential of the intending bidders shall play very crucial role for successful driving. Now for any member of the Hulla Team, as they deserve much more than the minimum wage, the rate quoted in the estimate as wage must be paid to the Hulla team. Thus there will be no cartailment in the wage rate. However the number of persons engaged for driving might vary 10% of the estimated number. But that shall be fixed by the Range Officer concerned or by an officer above Range Officer. But in no case the upper limit of deploying Hulla Members shall be allowed to be exceeded. It shall only be the discretionary power of the Divisional Forest Officer, Rupnarayan Division to the tune as shall be mentioned in the general terms and conditions. The financial potential of the intending bidders shall be such that he/she shall be able to make cash payment for a particular driving to the tune of 80% of the estimated cost of each driving.
5. As the work is composite in nature, GST @ 12% shall have to be deducted from the contractor's bill based on the offered rate and actual payment to be made to the successful contractor/s along with such other statutory deductions as applicable and in vogue. The contractors, in general, do not have any claim over contingency, unless specifically provided to him by the appropriate authority.
6. **RA bills, Bills for each and individual successful driving, may be provided to the concerned contractors. But such bills shall be based on the offered rate and actual works implemented in the field. Thus in no case bill would exceed the amount of accepted offered rate including the contingency amount to be provided to the successful bidders. However, the total bill amount may be less than the accepted offered rate.**
