Ref. This Office Memo Nos. 11093/CS/2M-1366/2018 dt. 19.01.18, 2613 dt.18.06.18 and letter of DFO, Publicity's No. 398(22)/82/Pub-18 dt. 09.04.18 and 852/8-1/Pub-18 dt.14.08.18.

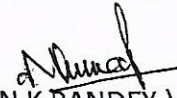

Sir/Madam,

Please recall the meeting cum workshop held on 27.06.18 at Sukna, where 11 topics were approved for innovative research work. In this connection, kindly also refer the communications quoted above where you were asked to submit a write up of not more than 5 pages with high quality photographs for Popular Reading which will be published in the coming issue of 'Bonobithi' which is going to be published between October and December, 2018. It is a matter of great concern that in spite of clear instructions from this end, you have not submitted any article to DFO, Publicity for publication. In this connection, the DFO, Publicity has followed up the letter of the undersigned and issued reminders to all the DFOs but in vain which is not acceptable.

You are once again directed to submit the articles with topics as suggested in the workshop and communicated to you from this office. You are further directed to complete your innovative research work and prepare the entire document and keep ready to present the same in the workshop supposed to be held on 12th - 13th December, 2018.

This should be given due priority.

Yours faithfully,

(N K PANDEY)

Principal Chief Conservator of Forests &
Head of Forest Force, West Bengal
