**SUB : IMPLEMENTATION OF DEVELOPMENTAL SCHEMES - EXPENDITURE**

Dear Shri/Smt.

During the current Financial Year, the undersigned has issued 2 D.O. letters to you for expediting the expenditure and quick implementation of developmental schemes. As you are aware that the Financial Year closing is approaching very first and **only 2 months left to complete the implementation of all developmental schemes meant for the F.Y. 2018-19.** It is important to mention here that **Loksabha polls will be held probably during the month of April-May, 2019** and after the notification of dates of the poll, the **'Code of Conduct' will come in force and it will not be possible to float tenders and also to implement any new projects.** In addition to this, no beneficiary oriented activity can be undertaken after the code of conduct comes into force. In short, we have only 2 months left for starting all our projects and completing it within current F.Y. i.e. 2018-19.

During the last review meeting held with all the DFOs on 17<sup>th</sup> January, 2019, it transpired that expenditure is not up to the mark and under some projects, in spite of the sanctions, expenditure have not taken place at required level.

May, I therefore, request you to kindly issue instructions to all the DFO/DCFs/DFDs under your control to **expedite the implementation of all developmental projects and try to achieve 100% expenditures by 31<sup>st</sup> March, 2019.**

Yours sincerely,

  
( N K PANDEY )
