For smoother transition to these E Governance initiatives, all officers of the Directorate should get well acquainted with the system and subsequently generate wider publicity and awareness among the staff and public. These modules can be accessed in the Web-site of Forest Department (www.westbengalforest.gov.in) – Home – Citizen Corner. The available modules are-

- FACTS (Forest Directorate)
- EODB (Felling of Trees in Non-Forest Areas- Developers)
- Renewal of Saw Mill License

You are requested to go through the system and use the same and any improvements / modifications suggested may be communicated to the Chief Conservator of Forests, MIS & e-governance, West Bengal vide tapasdasifs@gmail.com, within 27th of October, 2017.

These online systems are already operational and are optional for the time being. However, we will migrate to mandatory on-line applications for these software from next calendar year i.e. 1st of January, 2018.

The matter may kindly be noted for strict compliance.
