Terms & conditions

ANALYSIS OF THE ESTIMATES & PRE-REQUISITE SPECIAL CONDITIONS

1. Model estimates for QGS Creation works during 2024-25 have been provided above. **The estimated cost is inclusive of all materials to be supplied & labours to be engaged for the purpose.** Successful bidder/s should carry out the works either by deploying machine or **by deploying labours from local JFMCs only** by paying minimum wage for the time in vogue. As, each of the activity requires specialized skill and experience, JFMC members who are conversant in carrying out such types of activities should be given preference while deploying labour for such types of jobs. While payment is required to be made by the contractor concerned, decision taken by the concerned Range Officer on technical ground shall be final and binding with respect to carrying any particular activities mentioned in the model estimates.
2. The estimate is indicative in nature. Thus, it might be so that some of the items mentioned in the estimates do not require to be implemented in the field and some of the items need to be implemented more than once, repeated or enhanced as per field requirements especially for Thus, the Intending bidders need to quote the rates accordingly and will have to follow the instructions of Forest Officials only who will have the liberty to change the inner items mentioned in the estimates, without changing the rate or the amount of that particular item. Intending bidder/s is (are) expected to have that flexibility.
3. The labour rates etc. given in the estimates are as per existing Government Rules which may be revised as per orders in vogue.
4. Payment shall be made to the successful bidders only for those items which he/she has carried out at field on pro rata basis as per the rate offered by the L1 & as per the instructions of the undersigned or his authorized representatives. Each item of the estimates has a definite time line, beyond which the item is very difficult to be implemented in the field. Thus, any item, which is not possible to be implemented in the field within due time, can only be implemented after having due permission in this regard from the appropriate authority. Successful bidders are required to prepare bill for making payment accordingly. Running bill payment may also be allowed subject to recommendation of the concerned field Officers; Range Officers.
5. Since the items are very much technical and needs to be implemented properly as per correct Silvicultural technique, understanding of all the items is a prerequisite for the Bidders. In case of any confusion in later part regarding implementation of any item the decision of the undersigned or his authorized representative shall be final & binding.
6. **Rate Quoted below 10%** shall be subject to rate analysis which shall require to be provided based on technical grounds to be ascertained by the Tender Committee constituted for the purpose. As this model estimate is made as per Forest Schedule the Rate analysis for **any quote less than 10% should be certified by a Forest Officer not below the Rank of a Forest Ranger.** Rate analysis which is not technically viable shall not be accepted at this end and the candidature of the contractor concerned shall liable to be cancelled at once. **No rates quoted above the estimated rate will be entertained.**
7. From the above analysis, it follows logically that R.A bills shall be admissible in this regard provide the concerned ROs complication Certificate.
8. Issuance of work order to the **L1 Bidders** is subject to administrative approval and availability of fund. Similarly, payments of bills are also subject to availability of funds; the undersigned will not be liable in any such case of non-payment or delayed payment or cancellation of the tender or any other circumstances.
9. The undersigned will always reserve the rights to cancel tender/ contract at any moment; even after issuance of work order, without assigning any reason whatsoever.
10. The plant inputs like chemical fertilizers, organic manures, insecticides, hormones etc. of proper brand approved by the undersigned only, should be applied as per amount prescribed in the Model Estimate.
11. Experience in Forestry Work is desirable.

'KARMASHREE' SCHEME

Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) is the largest wage employment programme for the rural people of West Bengal and presently 2.56 crore rural unskilled workers (1.37 crore households) are registered under the programme through Job Cards. Nearly 1.30 crore active workers (92.58 lakh households) exist in the State who demand works regularly. The Scheme has been successfully implemented in the State from its inception and has made huge difference in employment generation, infrastructure creation and driving rural economy. With the imposition of Sec. 27 of the Mahatma Gandhi NREG Act 2005 in March 2022 upon the State by the Ministry of Rural Development, Government of India, the implementation of the scheme is fully stopped and rural people have been left severely aggrieved. Despite repeated persuasion, there is no hope from the Ministry in revoking the restrictive section imposed on the State resulting in discontinuation the implementation of the scheme at present.

To provide relief to the unskilled labourers and meet up their employment demand, attempts were made to provide work to the job card holders through different schemes implemented by various departments of the State Government. From FY 2022 most of the departments have provided work to job card holders from some major schemes implemented by them or their agencies. However, in the absence of MGNREGS, a sustained and an integrated approach is required for providing jobs to the needy rural population to sustain their livelihood. In this backdrop the State Government has decided to launch a new scheme "Karmashree"

Name of the Scheme: KARMASHREE

Definition:

- (a) **Work** means a project or activity executed by any Department of the State Government
- (b) **Implementing Agency or Implementing Authority** means an Officer or a body under the Department which is entrusted with execution of any work of that Department
- (c) **Contractor / Agency** refers to a person or an organisation lawfully engaged by the implementing authority for execution of any work on certain terms and conditions.
- (d) **Department** - Any department of the government executing schemes where unskilled labourers can be engaged.

All other terms referred in the guidelines will have their usual meanings.

Objective: The objective of Karmashree scheme is to provide at least 50 (fifty) days of wage employment to each Job Card holder household in a financial year, through various works implemented by different Departments of the State Government.

Area of implementation: The Karmashree scheme (hereinafter referred to as 'scheme') will be implemented in the entire area of the State of West Bengal.

Eligibility: All rural unskilled workers, who are registered under Mahatma Gandhi NREGS through Job Cards, are eligible to get employment under the scheme. In case any unskilled worker is willing to get employment under the scheme but does not possess Job Card, he shall be issued a Job Card following prescribed procedure so that the person can get employment.

Identification of works & preparation of Annual Action Plan:

- (a) The Job Card holders will be engaged in different developmental works of the Departments of the State Government where there is scope of engagement of unskilled workers. Departmental works will include the works taken up by the Department itself and also by different statutory and administrative bodies, parastatals under that Department.
- (b) Each Department will thus prepare an Annual Action Plan for the scheme with month-wise break-up of proposed person days to be generated. In the month of February of each year, every Department will assess the scope of taking up different developmental works by it in the next Financial Year keeping in mind the activities of the Department during current Financial Year and future scope for the next Fiscal. A target for employment generation for the next Financial Year will be given to each Department by the State Level Task Force and on the basis of both the scope for next year and the target, tentative total persondays of employment that can be provided to the wage-seekers in the coming financial year will be assessed by the Department. The Departments will set monthly target of person days to be generated depending upon the month-wise works that can be taken up and persons that can be employed in those works.
- (c) On the basis of the annual action plan prepared by each Department, the Panchayats & Rural Development Department will prepare the annual action plan for a financial year by first fortnight of March of the previous financial year.

Demand for work:

- (a) The unskilled workers seeking employment under the scheme will apply before the Gram Panchayat or Block Development Office in a specified Work Demand Form (**Annexure-I**) and demand for a maximum fourteen days' work at a stretch. While receiving Work Demand Form from wage-seekers, proper receipt shall be given.
- (b) The Gram Panchayat or Block Development Office will maintain a Demand & Allocation Register (**Annexure-II**) containing Gram-Panchayat-wise list of workers demanding job and their Job Card & Aadhaar details.
- (c) On the basis of demand placed by a worker, he/she can be engaged for a maximum period of 14 (fourteen days) at a stretch in any departmental work. The Job Card holder

can submit demands subsequently for future employment and in that case, work will be given to the job seeker as per the feasibility.

Mandatory engagement of Job Card holders:

- (a) Job Card holders shall be mandatorily be engaged in the Departmental works where rural unskilled workers can be engaged. For this, the Departments shall direct various implementing agencies under its fold to incorporate suitable clause in the tender documents as well as in work orders to make it a mandatory clause.
- (b) The contractor / agency executing the work shall also furnish a certificate after completion of work that only Job Card holders were engaged for unskilled works during execution. The certificate shall be countersigned by the Departmental official directly supervising the work. Scrutiny of such certificate will be done by departmental officials before making payment against works.

Procedure of engagement of job Card holders in Departmental works:

- (a) Once work order is issued by the implementing agency, supervising officer of the Department shall intimate the District Nodal Officer (MGNREGS) about the number of workers required to be engaged on daily basis for the next 14 days in a Labour Requirement Format (**Annexure-III**).
- (b) The unskilled labour requirement can be sent to the District Nodal Officer (MGNREGS) for a maximum period of fourteen days at a stretch. Subsequently requirement shall be placed to next fortnight and so on. The requirement shall be submitted at least Seven days before the starting of the work or Seven days before next requirements, after successive fourteen days periods.
- (c) On receiving intimation of such requirement, the District Nodal Officer (MGNREGS) will send it to the BDO concerned, who will assign workers of the Gram Panchayat, where work is being taken up, from the Demand Register on first-come-first-served basis as per date of application. However, due priority will be given to SC/ST and Women workers if they are suitable for the said work or project.
- (d) Normally one wage-seeker from a household should be given employment at a time so that maximum number of households can be covered.
- (e) The assignment of Job Card holders for particular work will be completed three days before the starting of work or three days prior to successive requirements as the case may be and this assignment shall be intimated to the implementing agency of the Department by the BDO as per format prescribed in **Annexure-IV**.
- (f) The implementing agency, on receiving the intimation of assignment of wage-seekers, will communicate the same to the contractor / agency instructing him to engage the said wage-seekers in the proposed work.
- (g) The BDO shall, through the MGNREGS set-up of Block and Gram-Panchayat, intimate the wage-seekers in writing (as per format in **Annexure V**) about their assignment in a work and shall ask them to report for the work at the site on the proposed dates with

Provisioning of Fund:

- (a) As the works will be executed by different Departments out of fund received from State budgetary resources or other available sources, no separate fund will be required for implementation of the works.
- (b) For running various activities related to this scheme at different tiers, administrative contingency fund, as may be allotted by the Finance Department, will be provided to District Administration from time to time.

Administrative arrangement by the Departments:

- (a) Departments will engage one Nodal Officer at the Department level (not below the rank of Joint Secretary) and senior-most Officer of that Department at each district or the Officer next to him as Nodal Officer for that district for overall co-ordination at State and district levels respectively.
- (b) Contractors / agencies shall be properly oriented about the objective of the State Government of providing employment to the Job card holders and shall be sensitised to engage Job Card holders where unskilled work is required.

Monitoring & Supervision:

- (a) Block Development Officers will play the pivotal role in providing employment at the ground level in co-ordination with the other Department Officers.
- (b) District Nodal Officer (MGNREGS) will co-ordinate between the Department Offices of the Districts and the BDOs and thereby ensure proper tie-up with regard to providing unskilled workers to the contractors / agencies. He will also make overall co-ordination in respect of scheme implementation at district level through the Officers & staffs of MGNREGS at different tiers of the district.
- (c) District Magistrate will remain overall in-charge of implementation of the programme in the district. One Additional District Magistrate will function as nodal ADM for the scheme. For monitoring and supervision of implementation of the scheme, there shall be a District-level Committee with the following officials:

Sabhadhipati	: Chairperson
District Magistrate	: Vice Chairperson
Additional District Magistrate	: Member
DNO (MGNREGS)	: Member Convener
Nodal Officers of Line Departments at the District	: Member
District Planning Officer	: Member
District Engineer, Zilla Parishad	: Member

The committee will review the progress of the scheme on monthly basis.

(d) Panchayats and Rural Development Department shall function as Nodal Department for implementation of the scheme. A State-level monitoring committee will be constituted with the following members:

Secretary, P&RD Dept.	: Chairperson
Commissioner (Mahatma Gandhi NREGS)	: Member Convener
Nodal Officers of all Depts.	: Member
Chief Engineer (HQ), P&RD Dept.	: Member

The committee will review the progress of the scheme on monthly basis.

(e) A State-level Task Force headed by the Chief Secretary and comprising the heads of different Departments will be constituted for overall supervision and taking policy decisions. Secretary, P&RD Dept. will act as member secretary of the committee. The Task Force will meet in each quarter of a financial year to review the progress and take appropriate decisions for smooth implementation of the scheme.

Public Grievance Management:

For redressal of grievances relating to the engagement of Job Card holders under the scheme, complaints may be filed at the Office of the District Magistrate, Sub-divisional Officer and Block Dev. Officer. All such complaints shall be enquired and appropriate action shall be taken by the respective heads of Office for redressal of the grievance. Proper documentation, including maintenance of complaint register, shall also be made at each of these three level. All the modes of receiving complaints such as written complaints, emails, public grievance portal etc. will be available for the citizens to register their grievance. However, complaints relating to implementation of the works will be dealt with by the respective Departmental Officers as per their established procedure.

Documentation:

Whereas various documents related to execution of works will be maintained by the implementing agency including the details of engagement of Job card holders in the works. The Block Development Officer and the District Nodal Officer (MGNREGS) will maintain the records available to them relating to different works where Job card holders are engaged. All the relevant documents will be preserved properly for further scrutiny or audit.

Training & Orientation:

For smooth implementation of the scheme, proper orientation of the officials and persons associated with the scheme will be required. Hence a detailed training plan will be developed for better implementation:

(a) As Block Development Officers and the officials of MGNREGS set-up at all level will co-ordinate the entire matter of engagement of workers at their respective levels, hence they shall be properly orientated about different aspects of the scheme. Similarly, GP level officials also will be oriented on schemes being implemented and demand generation.

- (b) The Departments will arrange for orientation of the implementing agencies about the mandatory provision of engagement of Job card holders in their works and procedural steps to be followed for ensuring it under this scheme. The district administration will co-ordinate such orientation programmes at district and lower levels.
- (c) As mentioned earlier, the contractors / agencies executing the works shall also be adequately sensitised and oriented about the provisions of the scheme through pre-bid meetings or otherwise.

IEC Activities:

- (a) Wide publicity will be given by the District Magistrates for awareness of the rural unskilled workers about different aspects of the scheme, scope of their employment through the scheme and steps to be taken by the workers to get employment under the scheme.
- (b) For awareness generation, suitable publicity materials will be developed which will be used for wide display and during orientation of the workers mentioned above.

IT Tools:

Various activities relating to the engagement of Job card holders in the departmental works will be monitored through a Portal to be maintained by the Panchayats & Rural Development Department. For this existing Portal of the Department used for capturing the engagement of workers by the Departments will be suitably modified and appropriate new provision's will be made in the portal as per guidelines of the scheme. MIS reports will be generated for inter departmental coordination and District Administration. Also, the Officers of the Departments at district level and the administrative Officer of the Districts will be given orientation on use of the Portal.

Special provisions:

- (a) Work in Municipality area: It happens in many cases that for execution of works in Municipality areas, unskilled workers from neighbouring rural areas are engaged. To streamline the matter, District Magistrate will entrust neighbouring BDO of any Municipality who, on getting requirement from any implementing agency through the District Nodal Officer for any work, will provide Job Card holder workers for that work. Also, as there are other unskilled workers in Municipality area, the mandatory provision of engagement of Job card holders for municipality area will not be applicable and the implementing agencies will engage them to the extent possible.
- (b) Engagement of workers from outside the districts: For certain types of works by some Departments, unskilled workers from some districts are engaged. In those cases, the said workers shall possess the Job cards and instead of sending requisition for workers, the implementing agency shall intimate the names and other details of the workers engaged to the Block Development Officer for keeping proper record in Demand & Allocation Register.
